# The changing face of Environmental Health more and more for less and less

The Environmental Health Association (Australia) Inc. (EHAA) invites your organisation to support the 6th National Environmental Health Conference as a sponsor and/or exhibitor.

The conference will be held at the Esplanade River Suites, Como from 13 to 15 October 2010. Outlined below are a variety of sponsorship packages which will provide different levels of exposure for your business and includes opportunities to meet with delegates through networking functions and our Gala Dinner.

EHAA is a not for profit organisation servicing its members by providing up to date and relevant information through this conference. Your consideration of support for this event is greatly appreciated and the association looks forward to a mutually beneficial partnership.

## The Conference and Delegates

Environmental Health is a broad industry and the 2010 conference theme "The Changing Face of Environmental Health – More and more for less and less" will reflect this by addressing all facets of the industry and how decreasing budgets, increasing population, and increasing expectations are impacting on the capacity of environmental health professionals to perform a highly important role within the community.

### The conference focus areas include:

**Changes to the food legislation | Business planning | Innovations and sustainability | Indigenous health and welfare | Health Promotion | Preparation of Health Plans | Emergency Management and Disaster Preparedness | Pest Control | Noise Management Solutions |**

The conference aims to:

- provide an opportunity for delegates to build knowledge and networks
- disseminate up to date information on new initiatives and developments
- showcase new innovations in the field of environmental health
- encourage partnership amongst industry and government
- promote best practice in the field of environmental health

Delegates are primarily from local and state government within metro and regional Western Australia. Over the past six years we have seen a strong growth from the private organisations having recognised the importance of environmental health and attendance at conference has continued to grow from this sector. While the positions of delegates are mainly Environmental Health Officers their roles vary across the entire industry including:

**Policy | Planning | Community Health | Food | Childcare | Building Surveying | Compliance | Pest Control | Recreation and Pool Management | Event Management | Noise Management | Town Planners |**

# Sponsorship and Exhibition Opportunities

A wide range of sponsorship opportunities exist and all can be tailored to suit your company's individual needs and budgets. Sponsorship provides an opportunity to raise your company's profile and demonstrate to potential clients your commitment to the industry.

Terms & Conditions: Confirmation of sponsorship and exhibition space is conditional upon this form being completed and 50% non-refundable deposit received. A tax invoice will be issued for this amount and must be paid within 14 days. The organisers reserve the right to reassign any exhibition stand to another exhibitor if these conditions are not fulfilled. EHAA Conference Committee will allocate exhibition stands at their own discretion.

All costs are in Australia Dollars and include GST. Each company representative attending the Conference must be pre-registered with EHAA. Additional exhibitor passes can be purchased at \$75 per person per day. This pass entitles entry to the exhibition area only and includes meals during the conference. It does not include the gala dinner.

I/we agree to comply with the terms and conditions and all provisions of the sponsors and exhibitors contractual obligations all of which I/we acknowledge, have read and understood.
