Local Government Survey Report

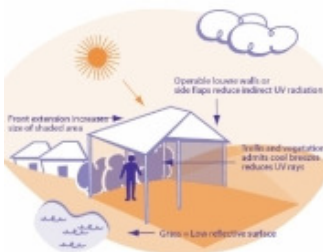

Dr Melissa Stoneham

Public Health Advocacy Institute of WA (PHAIWA)

PHAIWA recently surveyed all local governments in WA to investigate their expectations with regard to public health from both government and non-government agencies. Melissa will discuss the findings of this survey and what support strategies will be set up as a result.

Well designed shade

Are you a SunSmart council?

Helen Muccilli

Cancer Council WA

UV exposure from the sun is a growing concern in many community and workplace settings. This informative presentation by the Cancer Council WA will provide attractive shade solutions for local governments to consider in regard to public outdoor space, parks, recreation facilities and streetscapes.
